**Subject:** RE: Bolventor Bus Stop Opposite Jamaica Inn

Information Classification: CONTROLLED

Dear Robin,

Further to your email below, the area below highlighted by the red arrow is highway verge and we would have no objections to the provision of a shelter providing it was set back enough not to obscure visibility from the adjacent junction area, as for planning permission, it is probably worth contacting planning, I suspect it wouldn't be required, however if there are any complaints from adjacent properties once installed it does give you the reassurance that all relevant stakeholders were consulted.

If you require any further information please do not hesitate to contact me.

Regards

Oliver

**Subject:** Bolventor Bus Stop Opposite Jamaica Inn

Dear Oliver

The parish council is considering to apply for the CC grant for a shelter as noted above  
<https://www.cornwall.gov.uk/transport-and-streets/public-transport/how-does-cornwall-council-support-the-transport-network/support-for-bus-stops-and-shelters/>

Can you confirm/ approve the following point: If on highway land then consent from Cornwall Council is required under Section 5 of the Local Government (Miscellaneous Provisions) Act 1953. This must be in the form of written approval from the Divisional Surveyor

Any tips regarding the submission of a 'Do I need planning form' would also be greatly appreciated

Kind regards

Robin Turner
